**To All Members of the Matthews Chamber of Commerce:**

**We have a challenge for you!** At Matthews Playhouse we offer School Shows to provide field trip opportunities for area schools. Our **Sponsor-A-Student Program** provides funding for students at Title I schools to attend these shows. Since beginning this program in 2016, we have provided funding for over 500 students from Title I schools to see a show. **Let's keep it going!**

A donation of **only \$8** will send one deserving student to see a show.

**THANK YOU!**

We want to spread the word about your generous donation. Here's what you'll get:

**Sponsor up to 10 students** – listing in our *School of Theatre* playbills (8 shows)

**Sponsor 11-20 students** – playbill listing AND included in at least two social media posts in March-April (over 4,000 Facebook followers)

**Sponsor 21+ students** – playbill listing, social media posts AND clickable link in at least two iContact newsletters in March-April
