Lion King JR Summer Production Camp
Audition Information

Thank you for auditioning for our **Lion King JR** production. **Please fill out the audition information sheet completely and return it to the desk.**

YOU MUST BE AGE 9-16 to audition for this production.

After auditions you **may** receive a call from the director or Stage Manager for callbacks. Callbacks will be held at a later date.

Not everyone will be called back.

Please do not call the theatre to find out if you are cast in the show. When the Director has that information, the Stage Manager will call you. The staff does not have that information. We will post the cast on the website as soon as we have the information available.

Production Fee: There will be a charge of \$50. per actor for a production fee to help cover the cost of costumes, sets and props.

Parents and/or family members of the **children** in the cast are required to volunteer for positions on this production either backstage or in the box office. This is a volunteer organization and volunteers are needed in every aspect on every production. **Please do not audition or accept a role if you are not willing to share your time or your financial support.**

Rehearsals:

Rehearsals are listed on the separate rehearsal sheet. Please mark any conflicts and return the sheet to the front desk.

Conflicts: Please be sure to list all known conflicts on your audition form. Please be honest. IF you are not available for all performance dates, we will not be able to cast you in this show.

Unfortunately, not everyone will be cast in this show. Please do not stop trying simply because you are not cast. There will be many more shows and many more chances.

Summer Camps

We also offer a wide array of camps in drama and musical theatre, which help instill a sense of confidence and ability to help you in auditioning. These camps do not require an audition. **Broadway Boot Camp, Improv, Acting Intensive and Wicked** to name just a few.

Fall Performance Companies

Matthews Playhouse offers a large number of Performance companies during the school year for age 7 through high school. These companies each perform on stage with a full production with costumes, sets, lights and props.

Please consider joining us during the school year for our **School of Theatre** for more performance opportunities.

Thank you for auditioning for us and please come back and visit us again.
